# Black Wonder Mulch

## **Description & Process:**

**Feed Stock:** Organic green materials, yard trimmings, brush, leaves.

**Particle Size:** Material is ground to 2", screened for 3/8" overs.

**Color:** Product is colored using *Amerimulch* water-based black colorant. Colorant is safe for humans and animals.

**Texture:** Shredded organic material, fibrous, and stringy.

## **Additional information:**

Black Wonder Mulch is made up of green materials and yard trimmings ground to 2" which are then screened to remove material smaller than 3/8. Use Black Wonder Mulch to add solid black backdrop to landscapes. Black Wonder Mulch helps landscapes conserve water, suppress weeds, and protects against soil compaction and overheating. For areas with steep inclines or heavy blower use the interlocking material of Black Wonder Mulch allows the product to stay in place.
