# Black Wood Chip

## **Description & Process:**

**Feed Stock:** Clean unpainted, untreated dimensional lumber

**Particle Size:** Material is ground to 2" and screened at 3/8" for overs

**Color:** Product is colored using Amerimulch water based colorant, Ultra Triple Black. Colorant is safe for humans and animals.

**Texture:** 2"-3/8" wood chips

## **Additional information:**

Black Wood Chip is Vision Recycling's 2"-3/8" Golden Blend wood chip in a black color. Use Black Wood Chip to add a solid and modern backdrop to landscapes. Use for pathways, sitting areas and landscapes. Black Wood Chip helps conserve water, prevent soil compaction and overheating, and suppresses weeds. The wood chips are generally between 2" and 3/8" in size with occasional pieces reaching 3".
