

Mocha Brown Wonder Mulch

(510) 429-1300

41900 Boscell Road

Fremont, CA 94538

www.visionrecycling.com

Description & Process:

Feed Stock: Organic green materials, yard trimmings, brush, leaves.

Particle Size: Material is ground to 2", screened for 3/8" overs.

Color: Product is colored using Amerimulch water based brown colorant. Colorant is safe for humans and animals.

Texture: Shredded organic material, fibrous, arbor mulch like appearance.

Additional information:

Mocha Brown Wonder Mulch is made up of green materials and yard trimmings ground to 2" which are then screened to remove material smaller than 3/8". Use Mocha Brown Wonder Mulch to add a warm, deep brown earth tone to landscapes. Mocha Brown Wonder Mulch helps landscapes conserve water, suppress weeds, overheating, and protects against soil compaction. For areas with steep inclines or heavy blower use the interlocking material of Mocha Brown Wonder Mulch that allows the product to stay in place.

Vision Recycling's ground cover products are made from recycled, unpainted clean wood, yard trimmings & lumber. As this is a repurposed material we strive to have the best quality products on the market. Please note: Vision Recycling cannot guarantee 100% clean material. However, we continue to keep our standards high to provide the best quality material for your needs.
