## **Description & Process:**

**Feed Stock:** Clean unpainted, untreated dimensional lumber

**Particle Size:** Material is ground to 2" and screened at 3/8" for overs

**Color:** Product is colored using Amerimulch water based colorant, Ultra Brown. Colorant is safe for humans and animals.

**Texture:** 2"-3/8" wood chips

## **Additional information:**

Mocha Brown Wood Chip is Vision Recycling's 2"-3/8" Golden Blend wood chip in a Mocha Brown color. Use Mocha Brown Wood Chip to add a solid and modern backdrop to landscapes. Use for pathways, sitting areas and landscapes. Mocha Brown Wood Chip helps conserve water, prevent soil compaction, overheating, and suppresses weeds. The wood chips are generally between 2" and 3/8" in size with occasional pieces reaching 3".

*Vision Recycling's ground cover products are made from recycled, unpainted clean wood, yard trimmings & lumber. As this is a repurposed material we strive to have the best quality products on the market. Please note: Vision Recycling cannot guarantee 100% clean material. However, we continue to keep our standards high to provide the best quality material for your needs.*
